February is National Children's Dental Health Month. It's a good time to BRUSH up on good dental health habits. Brush your teeth for two minutes twice a day, floss, visit the dentist every six months and try to eat healthy. This helps promote good oral health- a SMILE is always in Style.

CAREER DAY

Career Day is Coming! Career Day is Coming! Career Day is Coming!

Calling all Federalsburg Elementary parents, guardians, and friends! An incredible opportunity awaits you on Friday, May 11, 2018, when you become a Career Day speaker sharing your career with our students. Whether you are a nurse, mechanic, hairdresser, custodian or business owner-we need you!

We are looking for a variety of people interested in spending a day talking to our students about their career. Presentations should be between 10-20 minutes in length. You will present to students ranging from Pre-Kindergarten through 5th grade. The recommended format includes related school subjects, education/training, personality traits necessary in your field, a typical day in your field, child-friendly games and presentations, hands-on activities or visuals, etc.

If you willing to participate in our career day, please contact Mrs. Veronica Hayes, School Counselor by phone or email.
