### Math Night- RESCHEDULED!

Want an easy way to strengthen your child's math abilities? Play games with them! "What games?" you ask. Come to Family Math Night to find out. On **February 24**, FES will host a Fun and Games Math Night from 6 to 7 p.m. Students and their parents will have the opportunity to play fun math games that will help to improve students' understanding of basic math facts. At the conclusion of the evening, families will be given copies of the games as well as materials needed to play the games over and over again at home. We hope to see you there.

### Wellness at FES

February is National Children's Dental Health Month. Children should visit their dentist every 6 months. It is recommended that they brush their teeth twice a day to prevent dental decay. Flossing is also recommended but is somewhat difficult for little children to do which may require the assistance from their parent. Should you need assistance in finding a dentist, I would be happy to assist in anyway by calling Peggy Warfield at 410-754-5722.
