Want an easy way to strengthen your child's math abilities? Play games with them! "What games?" you ask. Come to Family Math Night to find out. On January 26, FES will host a Fun and Games Math Night from 6 to 7 p.m. Students and their parents will have the opportunity to play fun math games that will help to improve students' understanding of basic math facts. At the conclusion of the evening, families will be given copies of the games as well as materials needed to play the games over and over again at home. We hope to see you there.
