Dear Parents/Guardians,

We are in the process of planning our annual Career Day program. If any parent has a career that they believe would be interesting and informative for our students, or know of anyone to recommend, I would love to hear from you!!

Thank you for your support of the Backyard Bunch. We will be busy for the month of March working on crafts for the Recycled Craft Fair this spring. As the weather gets warmer, we will be working in the Reading Garden. If you or someone you know has any expertise in gardening or carpentry, please encourage them to share their knowledge by joining us for a meeting. We are continuing to collect cans for recycling. The money raised by recycling is used to purchase items for the Reading Garden. Please contact Ms. Benson if you are interested in helping out with the Backyard Bunch!
