From Nurse Peggy

National Poison Prevention Week is March 18-24, 2018.

Just a few Poison Prevention tips:

- Ask a grown up before eating anything unfamiliar. Some poisons may look like candy or medicine.
- When playing outside, don't put plants or berries in your mouth.
- Only take medicines from your doctor or parent.
- Make sure medicines and cleaners are stored away from food and out of the reach of small children.

Keep the poison center number near your phone [1-800-222-1222](tel:1-800-222-1222)
