American Education Week

November 17-21 is a week long celebration of public education in America. This week is an opportunity to honor individuals who make a difference in the life of a child and ensure that all children receive a quality education. That celebration starts with you, the parents and caregivers of our wonderful FES students. Tuesday, November 18th is our Visitation Day. Please come spend a part of the day or the whole day with your child(ren). This is an opportunity for you to see how hard your child is working to achieve academic success. We will also have a program to honor Veterans at 2:00 p.m. in the gym. Mrs. Riffin has been working with FES students to present you with a great program honoring those who fight for our freedom. We hope you will join us.
